PROFILE

BSc Information Technology student at the University of Energy and Natural Resources (UENR), based in Kumasi. Focused on **cloud fundamentals, IT support, application testing and frontend development**. AWS Certified Cloud Practitioner and AWS re/Start graduate with support experience at Christian Service University and I-Akrotech. Currently looking for an internship or junior role in cloud, IT support or web development.

EXPERIENCE

Technical Support & Application Testing Intern

Apr–Jun 2026

I-Akrotech Company Limited · Ghana

- Executed structured test cases and identified system defects.
- Provided first-level technical support and diagnosed application issues.
- Followed the lifecycle of enterprise solution deployments.

IT Support Unit Intern

Oct–Dec 2025

Christian Service University · Kumasi

- Delivered frontline support for hardware, software, password resets and account lockouts.
- Maintained university laptops and desktops, and managed shared printers, scanners and projectors.
- Supported the Moodle LMS and kept registration and CBT platforms stable during peak periods.
- Ran cybersecurity awareness sessions and trained staff on cloud and security basics.

Deputy Welfare Chairperson

Jan–Sep 2025

UENR, Department of IT and Decision Sciences · Fiapre, Sunyani

- Coordinated welfare initiatives covering health support, financial aid and counselling.
- Planned events, introduced peer support and improved communication between leadership and members.

AWS re/Start Cloud Trainee

Sep 2024–Jan 2025

Amazon Web Services · Kumasi
